

CC USA Swimming

Summer Season Information

Coach Mike will once again be offering the option of USA swimming during the summer season. This option is only available to swimmers on the CC Summer Swim Team! Please let Coach Mike know if you are interested in this extra meet competition. USA meets take place on Saturdays and Sundays our CCSST does not have a meet scheduled. Meets start in May and conclude with a USA Championship meet in July (see attached schedule). Please know these meets will be in locations around the state, so you will have to travel further than our TCAL area. USA swimming in the summer includes all long course meter events. We will not have relays since we compete as unattached swimmers. There will be optional USA practices held throughout the season. You will not be required to attend every USA meet, so you can choose meets according to your schedule. However; if you are going to be practicing with the USA swimmers, you will be expected to attend some USA meets. Fees involved with USA Swimming include:

- USA Swimming membership fee per swimmer of \$63.00 for the rest of 2018 (expires 12/31/18) or \$32.50 for the summer season. (USA Registration Form is attached to complete and mail in.) Your USA membership number is needed before you can sign up for a USA meet. Please let Kristin Rickel know when you have sent in your registration to get you entered into our system.
- Meet fees are a per event charge (usually \$5) for the meets you choose to attend, plus a \$2 per meet fee to the LSC hosting the meet. Swimmers/parents will be responsible to complete Meet Sign-Up Forms for each meet you are attending. (USA Meet Sign-Up Form to copy and use as needed is attached.)
- Each FAMILY will also be responsible to pay a \$25 team fee to the CC USA account at the beginning of the season.

If you have any questions or would like further information about USA Swimming, please feel free to talk to Coach Mike, Coach Dennise, Kristin Rickel (CCSST President), or Mandy Stone. **Please be sure to turn in ALL Meet Sign-Up Forms and Fees to Kristin or Mandy at practice or a meet- not Coach Mike or Coach Dennise!** We will be attending both OH and LE meets this summer.
